COLLECTION

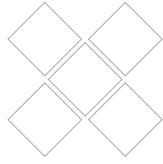

THE GEOMETRY OF COMFORT.
THE SCIENCE OF SUPPORT.

BRINGING IT ALL TOGETHER

You want inviting, comfy seats up front. Executive chairs in private offices. And a variety of needs in open spaces between. Achieve harmony throughout your space with a multi-functional collection of seating and tables. Endorse supports the diversity of applications throughout your workplace with a sophisticated, geometric design. Simply pick the model that suits your space and people. Add the options that fit your needs. Then get ready to Endorse a higher level of productivity.

FIND YOUR COMFORT ZONE

Nothing in the work space is more personal than your chair. Why settle for something less than perfect when you can get exactly what you want? Make Endorse your own by adding features that deliver targeted support and advanced control. From the contoured seat to the adjustable lumbar support, you'll enjoy all the features you need to stay comfortable and productive.

BACK SIZES
 Endorse's three back sizes comfortably accommodate 95% of users, and the big and tall chair comfortably supports users up to 450 lbs.

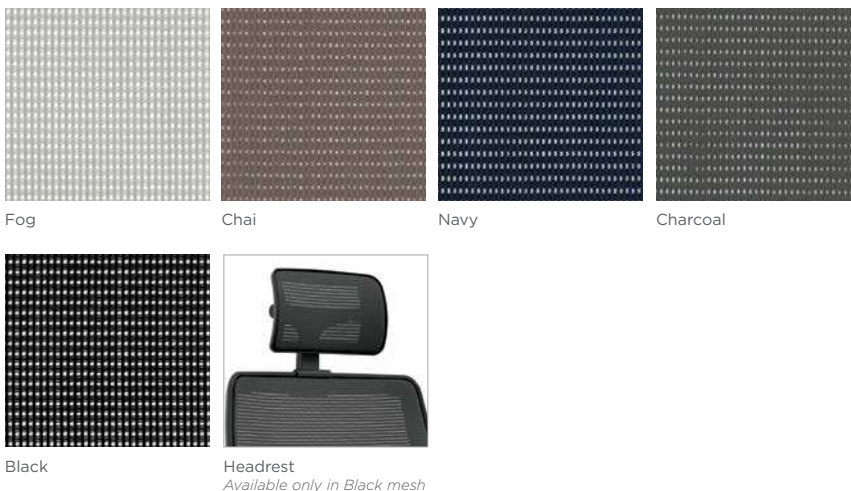

BACK OPTIONS
 The choice of fabric, mesh or plastic backs helps support a variety of activities and environments.

CONTROL OPTIONS
 Endorse offers four tilt control options, from the basic swivel-tilt to the highly advanced synchro-tilt mechanism that supports a wider range of postures.

ARM OPTIONS
 Black urethane or Polished Aluminum fixed arms provide additional stability, while the height-adjustable or fully adjustable arms create customizable comfort.

MESH BACK AND HEADREST
 Endorse can be specified in one of six ilira-stretch M4 mesh colors. An optional headrest can be added to the mid-back task and big and tall models.

WELCOME INTERACTION

People thrive when given the ability to seamlessly transition from focused, heads-down tasks to collaborative shared environments. Endorse brings design consistency to every space, from welcoming areas to workstations. Beyond the cohesive aesthetic, the collection enables productivity by supporting informal interactions with a variety of seating and table solutions that deliver comfort, convenience and connectivity.
